

Prior work (Smith et al., 2021) established the method.

Recent analysis (Gomez and Jones, 2020) extends it.

As shown by Smith et al. (2021), results improve.

Two efforts (Smith, 2020; Jones, 2021) diverge here.

Earlier results (Brown, 2020a) and later (Brown, 2020b) differ.
